A Happy New Year to everyone!

As we start the new year there is obviously an escalation of activity in our planning.

In anticipation of the official publication at the beginning of February, outlining the number of squads we can expect in Nottingham, we have:

- Secured an **exciting retail opportunity** for our visitors with a retail village supported by six national and international sports suppliers.
- Agreed a **merchandise package** with World Masters Hockey and will launch a bespoke internet purchasing scheme by the end of February. Players, officials and spectators will be able to order Nottingham 2020 World Cup merchandise prior to arriving in England.
- Been negotiating the use of an **exciting entertainment venue** in the city where you will be able to entertain all your party with music, food and 3 vouchers for drinks during the evening. The venue has been reserved for every night during the tournament and will cater for groups of all sizes.

- Secured support from Nottingham City Council which will **provide discount vouchers for several restaurants** in Nottingham City Centre, discounted tram travel and the support of the Mayor and even, Robin Hood himself!
- Finalised plans to **live stream some of the event** and in addition, secured support to supply video footage of every match, which will be available to coaches for their own analysis of their games to use with their squads.
- Scheduled **two big week-end outside party events** during the tournament for you to socialise and meet other players and officials from around the world.

Confirmation of all these things, plus the playing schedule and training opportunities, will be available from the beginning of February; once WMH give us final details of the number of teams who have confirmed their entry. Please make sure that you pay your entry fee by the end of January to allow us to move forward.

Is Your Entry Confirmed?

The final number of countries taking part will be confirmed on the 1st February.
